Everyone asks for the WARNER Corset, because it is the most comfortable corset to wear, because it shapes the figure to the best lines for the prevailing mode of dress and because it wears longer than any other corset you can buy.

It's the same story; we hear it many times a day in our store from many who appreciate the importance of their corset-and the corset they want is a Warner's Rustproof Corset. Why should you want a Warner's?

FIRST-Warner's Rustproof Corsets shape authoritatively in lines of fashion. Your dress or suit will look its best when fitted over a Warner's.

SECOND—Select the right Warner's model for your figure-wear it from morn till night, day in, day out-and you will realize the luxurious comfort that comes from a perfect fitting gar-

THIRD-You can wear your Warner's long after an ordinary corset would have gone to pieces. It will not stretch nor tear, and the thin double boning will not break nor set.

FOURTH-They are the greatest corsets in the world for year round wear. You ca.: wash a Warner's like lingerie. It win not shrink, rust, nor pull out of shape.
